Good morning Earl,

The end of the review period for P-18-0030 is on 8/18/2018 and I will be out on vacation next week. So, I am checking in a little early to see if it would be ok to extend the review period a few additional days to August 20<sup>th</sup> when I can call and provide you with an update on whether management has decided on a regulatory approach for your chemical?

I appreciate your patience.

Kendra
